# Instructions for Ad Submission

- Select the ad size you wish to purchase; then, using the sample layouts on pages 1 & 2, choose the design number within that size that you would like used for your student's ad in the yearbook.
- Changes may be made to these designs with prior approval of the yearbook adviser and/or editor.
- Using a pencil, write softly on the back of the picture the photo block number in which you want the picture to appear. If you do not number the photos, our staff will place the photos attractively.
- DO NOT send original copies of any photo you value; we cannot guarantee its return. Instead, submit a photo quality copy of any picture you cannot replace. We do not recommend computer generated ink jet photo images on plain white paper and cannot be held responsible for the quality of the reproduction if you submit a photo in this manner.
- We cannot use photos which have been cut, glued or taped to paper.
- Please DO NOT submit collages. They do not reproduce well and we cannot be responsible for the image quality problems that may arise.
- The words you want to include in your ad are called "copy." Please write (print) your copy legibly on the ad order form, or you may type or print it on a separate sheet and attach it to the order form.
- We will choose a font/typeface for the copy when we design your ad. We will correct grammar, punctuation and spelling errors unless otherwise instructed.
- Take into account the size of your ad when writing your message to your student. A large quantity of text in any ad will end up being set in small type which may not be easy to read.

## Photos

- Each ad contains a number of photos; supply enough pictures to fill the photo blocks in the ad you chose. If you include extra pictures, our staff will decide which one(s) to exclude without notifying you.
- Decide which picture you want in which photo block in the design. A vertical photo blocks require "up and down" images and horizontal photo blocks require "left to right" images.
