

Dear Parents/Guardians of student of Class of 2010,

Congratulations, your child is completing their last year of high school and the year will be filled with many activities for all. With all the activities and excitement of being a senior, along with all the obligations outside of school it is easy to forget about bringing in items to put in the yearbook. I am hoping this letter will aid you and your child to sit over the summer and go through pictures and think about what kinds of things they would like to add to the yearbook about themselves.

In order to have a successful yearbook for all to enjoy we need to enlist your help in three main areas: Making an appointment for their senior yearbook photo with Rockwell Studio, sending in baby, summer, and friend photos/writing memories and or quotes, and fundraising.

The first area is making sure that every senior is represented in the senior section of the yearbook. This can be accomplished by calling and making an appointment with Rockwell Studios in Naugatuck, please call as soon as possible to make an appointment if you have not already done so.

The second area is one of great importance to make a great looking book representing all students at Naugatuck High School by capturing precious moments from each senior. It is impossible for us to capture everyone's great high school moments on film so we need you to help us achieve this goal. Please make time to sit with your child to look through your photos and choose the ones that bring them the most joy. Once you and your child have decided on those great moments please have them bring them in or mail them to the high school by the deadline date, which is posted on the next page.

And last but not least is fundraising. The yearbook is very costly to make and we try and make it as affordable as possible for students while making a quality book; therefore, we rely on fundraisers and ads sales to help raise money to offset the cost of the book.

Please help us out by participating in at least one of the fundraisers we offer during the year. Fundraisers include but are not limited to Six Flags New England Trip, Little Caesar's Pizza kits, Public Displays of Affection Ads, and Business Ads-forms and dates for these are included in the schedule that follows.

The 2010 yearbook staff looks forward to working with you and your child to make this yearbook the most memorable for each and every student.
